# EASY BAKE GLUTEN-FRIENDLY HOT CROSS BUNS

(V, GF, FODMAP FRIENDLY)

Serving: 10 - 12 buns

## INGREDIENTS

600g room-temperature water  
1 packet active dry yeast (7g)  
500g Easy Bake Gluten-Friendly Bread Mix  
1 ½ tbs mixed spice  
1 ½ tbs apple cider vinegar  
80 - 100g raw sugar, rapadura or coconut sugar  
50g butter (vegan or dairy)  
2 tsp grated lemon or orange zest, or 2 drops food grade lemon essential oil  
150 - 200g dried fruit

---

## METHOD

In a large bowl, combine all ingredients, except dried fruit. Mix well by hand or electric mixer until thoroughly combined (5 minutes), scrape down the sides regularly.

Chill dough in a covered container in fridge for 1 - 2 hours.

Using oiled hands, mix dried fruit through dough. Shape into buns (100 - 120g portions). Arrange buns close to each other on lined baking trays.

Brush the top of buns generously with water. Pipe the 'flour paste mixture' (recipe below). Allow to rise for no longer than 20 - 25 minutes.

Do not over-rise.

Bake in a preheated fan-forced 210°C oven for 15 minutes.

Reduce heat to 160°C and bake for a further 30 - 35 minutes. Inner temperature should reach 100°C.

Brush tops of buns with melted butter or warm smooth apricot jam for a delicious soft crust. Enjoy fresh from the oven.

Buns freeze and thaw well. Once thawed, brush with water and reheat for 10 - 15 minutes in 180°C preheated oven for optimum flavour.

## Flour Paste Mixture (to be piped on buns):

¼ cup tapioca starch  
2 tbs white rice flour  
2-3 tbs warm water.

Start by mixing 1 tbs water and add gradually till it forms a smooth paste. Transfer to a small piping bag.
